

# Vertically integrated provider of design-driven solutions that divide and define spaces.

Holoform is a brand of Oldcastle BuildingEnvelope<sup>®</sup> and part of the KPS Capital Partners portfolio of companies. As an extension of these brands, we are backed by a vast network of manufacturing and distribution facilities—the largest of any demountable wall brand in North America.

Holoform tempers, fabricates and finishes our own glass. We push and cut the aluminum extrusions for our Realm systems and HoloScript glass writable surfaces. And we are a comprehensive hardware supplier. As a vertically integrated operation, we can control and assure the highest quality and design integrity of our products.

## **Our Brand**

- Interior architectural products brand of Oldcastle BuildingEnvelope, owned by KPS Capital Partners
- Operates 28 glass tempering and fabrication facilities, 3 aluminum extrusion and finishing locations, 20 fabrication sites and 30 hardware distribution facilities
- Locations within 500 miles of all major metropolitan areas for faster delivery, and reduced shipping costs and greenhouse emissions
- Driven by improving the workplace through innovative design; creating efficiencies, value and partner profitability; and supporting sustainability

## **Holoform Realm™ System**

- Division 10 framed demountable wall system; Offers premium aesthetic, design flexibility, 100% reuse, and tax advantages over Division 8 systems and drywall
- Proprietary integral leveling and internal frame adjustability enhance speed, safety and accuracy of installation—improving project timeframes by 20–25%
- Single-glazed system with 1/2" clear tempered glass has exceptional 35 STC rating
- Double-glazed system with 1/2" over 3/8" tempered glass has industry-leading 45 STC rating
- Winner of prestigious Red Dot and Good Design Awards for design excellence
- LEED credits qualification in the areas of Indoor Environmental Quality, Energy and Atmosphere, and Materials and Resources

## **Holoform Aura™ System**

- Division 10 frameless demountable wall system; Minimal sound attenuation
- Premium design quality and elegant aesthetic at a value price

## **HoloScript™ Glass Writable Surfaces**

- Premium glass whiteboards in monolithic and laminated glass; Available in wall-mounted sizes as well as seamlessly integrated within the Realm and Aura systems
